ok, good on both accounts. That mural needs to be either refurbished...or painted over and start from scratch! We may have funds, so that may entice him!

I appreciate it.

On that other mural, several years ago the owner was approached about refurbishing, but was not interested. Maybe he'll be interested this go-round. I've got contact info somewhere, but need to find it.

On the shade sails, I talked with a very experienced shade sail contractor today. He's been doing these for 20 plus years and he discussed everything from City permits to the construction of the buildings, to the proper slope ratio and drainage when installing.

I need to get him some site info first and then a quote will follow.

Thanks,
Aaron

That's how I like to work...fast!

No worries, you don't need to be there. I think this is the first step in the process. Want to see exactly what LACMA has in mind and if Bob concurs we can move forward.

Hey, do you know anything about the other mural (that needs refurbishing) on the Magnolia side across the alley from Pitfire? (owner. etc.) We may be able to do something to refresh

that one if we get the Plaza one taken care of by Irvine Grant that LACMA has.

Also, I am going to be a thorn in your side...any word on estimate for shade element for NoHo Plaza? Reason I'm asking is if we try and ask for any city \$\$ it takes awhile to go through the process, and summer will be here soon!

Thanks,

Hi Jackie,

Glad this meeting came together so fast.

I wasn't planning on being at the meeting, but let me know if you'd like me there.

Thanks,
Aaron

Hi Bob,

As I mentioned today, I'd like to facilitate a meeting with you and Marvella Muro from LACMA to discuss ideas on a proposed mural in the NoHo Plaza. Let me know some available dates/times and I'm happy to have it at our office, or any place that is convenient for you.
